

The Animal's Christmas

Written by Noé Carlain and
illustrated by Hervé Le Goff

1

With the ELEPHANTS :

- Mummy, daddy, it's snowing!
 - Well, our snowflake trunks aren't too bad, are they?
-

2

With the BATS :

- Christmas is great! We love decorating trees!
-

3

With the FROGS :

- Deck the halls with boughs of holly,
fa la la laaaaa la la laaaa!
 - Stop croaking, we can't take it any more!
-

4

With the CATS :

- We love dressing up as fur trees!
-

5

With the REINDEER :

- Before the big departure, we like to let it go!
-

6

With the KANGAROOS :

- No need for sleighs or reindeer, I hide my
presents in my secret sack.
-

7

With the COWS :

— We told you that you couldn't fit down the chimney!

8

With the PANDAS :

— For us, snow is the real gift, it's like a tasty ice lolly falling from the sky! Yummy! Even better than the Yule log!

9

With the GIRAFFES :

— Gertrude, stop looking out for Father Christmas or he won't come!

10

With the OSTRICHES :

— We never ever see Father Christmas!

11

With the CROCODILES :

— But where is the Christmas tree?
— Sorry, I ate it up, Mum.
— And the presents too?
— Oops...

12

— We wish you all a merry Christmas, we hope it's a hoot!
